

Hey lightricks team,

I am interested in your open position as a junior developer.
You can find my CV attached.

I think I could make a great fit,
You are more than invited to take a look at my web dev [Portfolio](#) and my Projects.

On top of my web dev skills I have experience as an IT/SYS Admin, I have some experience with AWS, Apache, Python, Bash, managing proxies at large scale, AD, Linux and windows systems.

Looking forward to hearing back from you.
If you have any further questions let me know.

Best regards,
Zohar Hadari
